

# OEM DIRECT FIT REPLACEMENT PARTS

## RELIABILITY DAY AFTER DAY

Mammoth is a specialist exhaust manufacturer. Our exhaust paks are made from the highest quality materials and craftsmanship to ensure lasting performance.

We design and manufacture an extensive range of exhaust systems and components, all guaranteed to fit and build to last. We supply most OEM exhaust systems from **manufacturer's** such as Caterpillar, Hitachi, Komatsu, Liebherr, Volvo and more.

All of our standard replacement OEM exhaust systems are manufactured to fit your **machine's** existing brackets and footprints, using like for like materials which means easy removal and replacement.
